“ Although we never met Carolyn, we enjoyed many Conversations as we were both founders of Multiple Myeloma Support Groups. I know she loved living in The Villages and we discussed meeting when we planned a visit. We are saddened that this terrible disease took her from those she loved and those she helped.

“ I met Carolyn at Sandbox Pharmaceuticals which became Novartis Pharmaceuticals. In fact, I replaced her in the Corporate Health Department when she took another job in the company. We became good friends and also had lunch together quite often. We also socialized with our spouses and other members of Corporate Health. Carolyn was not only beautiful on the outside, but also on the inside. She and Ed were a wonderful couple and so much fun to be around. They made our time in N.J. memorable. I will miss Carolyn greatly. I know she fought hard against this terrible disease and I was so hoping she would beat it. I will also miss her distinctive N.J./N.Y. accent. I always laughed when I talked with her on the phone as she couldn't hide where she was from. Rest in peace dear friend.

“ *Carol was the sweetest most caring person I ever met. She was always smiling and always made you feel better after seeing her. We will miss her so very much, the thought of her not being here to hear her voice, her laughter or just knowing that she was here is just unbearable. It was a privilege to have been her cousin. Words cannot express the loss. She will always remain in our hearts. Love you so much*
