“ Carolyn and Ronnie came in for a visit just before her death. Carolyn was my life light that got me through the toughest times in my life, so it inspired me to write a song for her in hopes that I could be her life light just this once, and she would know how much I truly love her. Carolyn didn't have a CD player, so I got our brother, George, to do vocals and arrangements and post 'Life Light' on YouTube so she could play it and think of me. I'll continue to look for her life light to guide me to her in Heaven when my time comes.
