“ *Tom and family,*

Carolyn's League of Women Voters family was saddened to learn of her death. She was serving on our board at the time of her death although she indicated she planned to resign at the end of this year due to her health and inability to participate. She was a vital force in starting this League and getting it fully recognized as a local League with the state organization.

We recently started a tax-deductible charitable fund, and several members have contributed in her memory. To date, we have \$400 in contributions from Beth Hicks, Joanne Coen, Bernadette Aley, and Gail Formanack. All contributions will be acknowledged for tax records.

Please know our thoughts are with you and Carolyn will be missed. If you share your email, I'll keep you updated on the contributions.
