“ Frances I am so sorry to hear that Carson passed away, and it sounds sudden. I did not see the obituary or I would have been there to offer my support and my respect to Carson, who I admired so much! Melinda Perkins just told me. God bless you and keep you strong. I know you will miss Carson so much. He was truly one of a kind and a great person. xo Katherine Campbell

“ Elaine and I were saddened to hear of Carson's passing. Although we haven't been in touch for quite some time, we have fond memories of his association with our Amateur Radio community here in Virginia Beach. Wherever Carson was in those days, Chip was usually around. He was a good husband, dad and friend. Frances, you're in our thoughts and prayers. O.B. & Elaine Corning

“ To Frances, Chip, and family: This was a shock, and I am very sorry for your loss. Carson and Chip were regulars in our ham radio team some years back and Carson was a good friend, personally and professionally. Please know that you all are in my prayers and in those of my family. I will pass this on to the members of the Virginia Beach radio community who remember Carson warmly.
