“ KAREN... I just saw this by a fluke in facebook. Long story. My heart is aching for you. Trying desperatly to get a phone number for you. Sooo many years have gone by and still can see your sweet sons face as a baby. I cannot imagine your heartache. I hope to reach you somehow. I am on facebook and have messaged you. Prayers and love to you and Dana. And Cason...a life cut way to short. You are now with your sweet Dad.

“ Karen, Dana & Family I had the pleasure of meeting this wonderful family about 16 yrs ago through baseball in Leesburg. Cason was always full of love & laughter and his smile could light up a room. As he got older he still remembered me and would always come say hello and give me a hug when I saw him out and about. Everyone he met seemed to be drawn to him and loved him. My heart aches for you all and I am in disbelief that this has happened. Prayers for strength and comfort are being sent to all of you! Susan & Sam Shaw, Sean Lighty, and the Giannini family

“ Karen, I am so sorry about your loss. I remember when Cari and Dana were close friends at Montessori, and Cason was "the annoying little brother". I'm sure he made you proud many times over, and will be fondly remembered by all who knew him. You (and all of your family) are in my prayers.

“ Words fail me as i think of what y'all are going through, prayers seem like they're not enough to comfort y'all, i hope that God shows up and reveals His plan and purpose, and that comfort and peace beyond understanding surrounds y'all, a heart touched never forgets, and we never will, a little boy he cared enough to show his love to and I'm forever grateful, his legacy is love and kindness and a zest.for.life, i could only hope to have such a legacy, love to y'all is immeasurable as my heart can only imagine the hurt, blessings, peace, comfort, and in time joy, as he goes home and lives eternal.xoxo
