“ I met Casto Hall when I was 10 years old in 1959! He was my Sunday School Teacher in Paulsboro, NJ. We were friends until his death in 2015. He got me my job at Air Products & Chemicals, Inc. in 1968 where he also worked. What a great guy he was. We miss him! Rest in peace Casto!

“ To Casto's Family, Please accept our sincere condolences on your loss. From our relationship with him, we are confident that you have many, many happy memories that will keep his memory close to you and lift you during this sad time. Our relationship with Casto started as a business relationship but rapidly developed into a long lasting friendship. One that we will truly miss. We both truly enjoyed our friendship with him over the years, we always had so much fun when we were together. Joe remembers all of the great times they had golfing and the joking around. Although he was not the best golfer, Joe was always envious of the many hole in ones he managed to get. Carol remembers him coming to our daughters weddings. It was so thoughtful of him. She will miss him calling and referring to her as "Nice Secretary". May the sound of his laughter and the fond memories you have live on in you and bring you comfort. Joe and Carol

“ Dear Casto, You are forever in my thoughts as a fond memory from my childhood. Our visits to Grandma's house were made even more fun by your pranks and laughter. Thanksgivings with our combined families were full of food, soccer on the lawn, and us playing with Michael making forts in the backyard. Very few people are able to retain a childhood friendship for the entirety of their lives. Thank you for being that lifetime friend to my Dad. With much love, Chanda
