“ *My Aunt [may this help someone who reads it]*

*I thought I saw her face today
In the sparkle of the morning sun.
And then I heard the angel say,
"Her work on earth is done."*

*I thought I heard her voice today
Then laugh her hearty laugh.
And then I heard the angel say,
There's peace for her at last.*

*I thought I felt her touch today
In the breeze that rustled by.
And then I heard the angel say,
Her spirit will never die.*

*I thought she left us
For the stars so far above.
And then I heard the angel say,
"She left you with her love."*

*I thought that I would miss her
And never find my way.
And then I heard the angel say,
"She's with you every day."*
