“ We will certainly miss this lovely lady. We worked very closely together in the 70's and she was my rock when I was new and needed help with anything in a doctor's office. I will never forget our talks and her wonderful smile. She was a great friend. I loved seeing she & Hugh out for breakfast at Haystax. She would always remember me, even though it had been months since the last time.

“ We will miss this amazing lady. If her impact in heaven is anything like here on earth....I can only imagine; but the sun may shine a little brighter, the angels may sing a little louder; the feast will be bigger; and that desert buffet a little sweeter.

She will be forever in our hearts and always a part of who we are.
