“ So sad I just saw this notice.
I knew Cathy for many years and knew her from a salon I worked in issaquah.
We had so many laughs together and I would see her on a bi-weekly basis.
I learned so much from her as I was a young woman and really didn't have a mother who could teach me.
I remember once she showed me how she made a Barbie cake or a princess cake her niece's birthday and I was in awe.
We had so many heart to heart conversations about life family and I would even ask for advice about many different things. We talked an out our childhood memories and many many recipes.

Always have a warm spot in my heart for Cathy. She was classy calm and always polite.
Rest in heavenly peace with your lovely Mom.

“ There is a place in our hearts for the wonderful memories we have of Cathy. She had a beautiful smile and kind things to say to everyone. She often sent a text wishing us a happy birthday, Thanksgiving, New Year, or checking to see how we were doing. We cherish the many lovely birthday cards she made us over the years. Thank you for the delicious lemon cream pie you made for the dinner in January, Cathy. Your love for Harry and his love for you was very special. Jerry and Ann

“ So very very sad to hear Cathy is gone. She was a wonderful cook and gracious host and always so kind and thoughtful. It was wonderful to see her and Harry in Florida we had such good times. I was blessed to know her. May she be pain free and may we be at peace even though we are missing her. Joann Riley, Harry's cousin in South Carolina.

Our heartfelt sympathies to Harry and family. We spent time with Harry and Cathy in May and it is a wonderful memory. Cathy was always so welcoming when we visited. She had a lovely dessert waiting for us. We always texted or called to check in on each other. I will miss hearing from her. Our memories will be treasured. She loved her Harry and family so much. May her positive attitude be a reminder to all of us to carry on her legacy.
