“ So very sorry for the loss of your dear loved one. Death is an enemy: due to the deep pain and sorrow it brings, it represents the loss of future dreams, relationships and experiences that have not yet been enjoyed. In the Bible at 1 Corinthians 15:26 it tells us death will be abolished and John 5:28, 29 speaks of a resurrection of life for our loved ones, there we will see these ones again and reunite, 'a better place'. I pray this hope will comfort you in your time of grief and recovery as it did for me.

“ Our sincere condolences to the family. The Bible has beautiful and comforting scripture promises for the future at Isaiah 26:19; "Your dead will live. And the earth will let those powerless in death come to life". We can also find comfort from Jesus words at John 5:28-29 "The hour is coming in which all those in the memorial tombs will hear his voice and come out" To learn more about this promise please visit our website: jw.org and view the comforting video; *What is the Condition of the Dead?*
