“ *Missing you, Grandma Sissy.
I wish we had more time... and I wish that all of the time, actually.*

PS

Don't worry, I am still fluent in the very prestigious language of pig Latin that you taught me.

*Love,
Kaley*

“ Dear Brian We were very saddened to hear the news of your Mother's passing. I really enjoyed seeing and talking with her and your Dad at the games. She was a wonderful person to talk to and must have been a wonderful Mother as well. I'm sure she is with Jesus in a beautiful place in God's Kingdom. Please know that we are here for you and Nikki whenever you need us. Deepest Sympathies Joe, Hilda, and Jackie

“ Dear Uncle Milt, Cousins Brian, Blair and family We are deeply saddened to lose Aunt Sis. We will always remember her warmth, beauty and smiling face. She loved life and being with family. She was generous and caring and had great skills as a cook. Our favorite was her lasagne at Christmas. May she rest in peace with her siblings and parents, singing Christmas carols to the angels and dancing the polka which she did so well. Sharing our fond remembrances of her helps keep her spirit alive in our hearts. With much love, Sheila and Allan

“*Dear Uncle Milt, Brian and Blair, I am so saddened by the loss of my "Aunt Sis". I have many great memories of all of our family gatherings at both our house and yours. I remember how excited I would get to go to your house because I knew Aunt Sis always had a big bowl of candy on her coffee table in the living room. I would always ask to use the bathroom so I could walk past that dish and sneak a candy or two. I will never forget how much fun we used to have going to all the Polish festivals. Aunt Sis and my mom would bring me up on the dance floor and whisper to me "one, two, three...one, two, three" while spinning me around teaching me the Polka dance. I still remember how to dance that dance today. All of the sisters and brothers are together again in heaven, looking down on us and giving us our strengths. May peace be with you all during this difficult time. Aunt Sis will be greatly missed.*

“ *Dear Uncle Milt, Brian, and Blair I have some great memories of my Aunt Sis. Many of them were around the holidays we spent together. I remember being excited to go to Aunt Sis and Uncle Milt's home. It could be for a Christmas party, or a summer barbeque, or just a visit. I looked forward to the harmonizing songs that were sung each time and jumping around to the music. Sis was a great cook and a lot of fun. She was a prankster and could always make me laugh. I remember trying to bleach my hair blonde, and it turned out green! Mom and I went over to Sis' and she worked on my hair until I no longer looked like kermit the frog. As a teen, I felt like Sis saved my life that day. (Back then green hair was not in.) It was sad when Sis and Milt sold their house and moved to Florida. The parties ended, but my wonderful memories of spending time together can still make me laugh. I cherish those times, my family memories, and my Aunt Sis. Some may say to rest in peace. I see Sis singing and dancing up a storm in heaven and making everyone laugh like she did for us. She will be missed but not forgotten. She was loved.*

“ *Dear Uncle Milt, Brian and Blair, I am so sorry for your loss. I truly share in your sorrow. I will miss Aunt Sis. She was such a beautiful person and always had such a radiant smile. I will never forget all of our family get-togethers. They are such great memories! I especially loved Aunt Sis' gingerbread man cookies that she used to make. I will always remember how delicious they were! They were such a special treat for me! She always made sure she saved some for me and always offered for me to take a few extra but I always politely declined or else I would have eaten all of them!! Now that all of the family is together in Heaven, I know that they are watching down as angels on all of us. I know the sisters are singing songs and harmonizing so beautifully as they did while they were here on earth. I hope the memories that you have of your wonderful time together will somehow bring you comfort during this difficult time. You are all in my thoughts and prayers and again I am so truly sorry for your loss. Rest in peace, Aunt Sis... <3*
