“ Charleen was the best female friend of my adult years. I will never forget all the wonderful times she and Terry and I had working together in Elmhurst, Illinois. I look forward to seeing them both when the Good Lord calls me home. I hope her children and grandchildren know just how much she loved them and how proud she was of them. Charleen, I will pray for you just because you asked me to. But I believe you are already in heaven, making it an even more joyous place. All my love, Linda Lou

“ To My Dear Friend's Family, How sad I was when Fleur called to tell me that Char had passed away. We had the best conversation just 3 weeks ago. She loved her Family so much and I frequently received pics of you from her. We had so much fun during our school years!!! I was Blessed to see her at our Reunions as well. She always was a character. I will miss talking with her. Love to All. "Peggy"

“ Dear Kelly, Jim, Larry, and Sean Auntie Char has always had a special place in my heart since the 1st day I met your Mom and Dad many years ago. While my parents had just divorced, your home in Addison, when we all were much younger, had become my home away from home. I can remember nothing more than great times in my life, because your whole family was so special to me. I am very saddened today on hearing, of the passing on of your Mom. My deepest of condolences to all. And you will continue to be in my prayers. May God Bless you all, Love Gene

“ We are all going to miss my sister-in-law's zest for life and unstoppable sense of humor. She would greet you with a smile and made you feel better about yourself when you were around her. Our lives have been enriched because of her and although we will miss her terribly, we have a collection of wonderful memories when we think of "Char."

“ You will be remembered with fond memories. A beautiful woman with a beautiful smile. I remember coming over to your house when I was very young and hanging out with Larry and our friends. You were such a nice mom to all of us. Heaven has gained another angel. God Bless you all.
