“ *Sister, what can I say YOU WILL BE MISSED!!!*

Charlene and I were the children of Pete and Mickey Riefsnyder. They were a couple that met during World War II and worked hard to make a great life for their children, and did. We moved around during our early years but both claimed to be raised in Atlanta Ga. Charlene graduated high school there and loved to say she was a Georgia Bulldog. Even while living in Florida for many years she always supported the Bulldogs during the football season and always said she wanted to go back to Georgia. Charlene always had a happy and excitable personality and tried to keep a positive attitude towards life, as hard as it could be sometimes. She had a wonderful family with her son Bryan, daughter-in-law Pam and her Grandchildren, Amber, Alyssa and Ray, who will make sure that she is not forgotten. We love you, Mike (Baby Brother) and Elaine (Hun)

“ *Charlene and I first met, back when she was working as a "Paralegal" on my case. We got to talking, and then started dating. We had many great times together, and I am really going to miss her. I have known her for over twenty years, and I have never known a more stronger woman or a gentler one. She lived a very hard life, but never lost her ability to overcome her circumstances and move on with purpose, and love. I love her and miss her terribly. the best thing I can say right now is "Via con Dios".*
