“ I have known Charlene and Dr. Owen all of my life and had the pleasure of doing Charlene's hair for many years. Dr. Owen I am so sorry. I genuinely used to love the weekly time I spent with Charlene. She will be missed and although we didn't see each other for the last 20 years I thought about you guys often. My dad-Lee Davis still compares every doctor to Dr. Owen. Praying for your family during this difficult time.

“ So sorry I didn't know about this until after the funeral. We were good friends in school, was so happy for her and Jack. Only saw her once after we married and moved away from Oxford, yet I never forgot her.
