“ Ernie was always a brother to me. He had a quick wit and made us laugh. Our last visit we laughed until we cried talking about old times. My brother you will be missed. Prayers for the family.

“ Ernie was a very caring and loving man. I enjoyed working with him for over 9 years, his positive attitude and compassion and love for people and life on this earth is unmatched. Ernie always had a story to tell and to be sure at the end, when he finally got around to it, would leave me and others laughing. I know words can never express the loss we feel at the present, but one day all Gods children will be united and oh what a day.
