“ Dear Carol, You may not remember us...Zene worked at Lockheed Martin with Irv, and thought so highly of him. And, we both enjoyed the visits we had at your home on Singer Island while we were there. Our thoughts are with you in your time of loss.

“ Our deepest sympathy to you and your family in this most difficult time. Irv was a happy and caring man that will be missed by all who knew him. You and he were an inspiration to those of us who were married but half as long as the two of you. Hank and I always talked about how wonderful it was that you had a breakfast date on Saturday mornings when you took the fur-kids for grooming. You will remain in our prayers as you mourn his loss.
