“ I am beside myself finding out you passed. I don't even know what happened. The last time I saw you I brought Alana over. We were headed to the beach and she stays with you while I bought her a new bathing suit. I must have talked with your momma for hours about how in love with you I was when I was 17 18 years old. Still love that peach wine. She taught me how to drink it properly. U even stuck that steak on my eye when well only u would know. I regret not trying to reach you sooner. I wanted to introduce u to Ayralai and now Abryella. Rest easy my love. I'll never forget the listerine on the kitchen sink. I wish you were here.
