“ Charlie has been a part of my life and my children's lives, Frank and Elizabeth, for the past 30 years. Charlie was my neighbor while he lived in Orlando. Charlie was instrumental in helping me raise my children. Whenever I couldn't find Frank and Liz, they were always at his house fishing or just visiting. Charlie was like a second grandpa to them both. I will never forget Charlie's advice, friendship, and love. He was a good man, and he loved my children as if they were his own. The pictures I have of Charlie with Frank and Liz will always be treasured memories of a time that was filled with unconditional love, help, and guidance. I will miss Charlie greatly. My heartfelt prayers go out to Carolyn, Janet, and family.
