“ Please accept my condolences and deep sorry for the loss of Charles. We worked together for several years. I found Charles to be a person of integrity and enjoyed his stories of his outdoor adventures. We shared the same hobbies and enthusiasm for the outdoors. I regret not being able to attend his memorial as I didn't receive notification in time to get excused from work. I will keep Charles in my prayers. I think of him often and he will be greatly missed. May God bless your family.
