“ My family has known Charles and his family for many years. Our families lived in the Berea community along Prunty Road. A wonderful man who was there to help when needed and a good friend. Saying prayers for his family in their time of sorrow. May God Bless and Comfort you.

“ So sorry for your loss. Charles was a very special friend to my family. I had lots of great times with Charles on the boat, at his house etc. He always knew how to have a good time. Also, I will never forget, the almost 1000 mile trip him and dad made for me in the middle of the night. He was a good man. Now dad will have his buddy to be with him in heaven, both free from pain! We will miss you Charles!
