“ *To my beloved brother....Li'l Bro, you were always "Frank" to me. I have so many memories of your babyhood when I changed your diapers, your childhood when you played on our Fresno farm with your dog, Sandy, and later when you were the proud owner of a Chevy Super Sport car in Canton, OH. Even when months would pass between visits, we could always start laughing about things we'd shared. Everyone was cheered up by a conversation with you because of your great sense of humor. You were a well-loved Uncle to my daughters and I thank you for that. I will miss our conversations on the phone, you in Florida, me in California, but I know you are now with Jesus and we will all be together again one day. Love you. Big Sis.*

“Sandy and family, we have prayed and will continue to pray God's comfort for you all during this difficult time. 1 Thessalonians 4: 13-18 promises a resurrection for those that have trusted Jesus. Chuck did, so take comfort knowing that. I will see you again my friend.
