“ My brother Fred Hurley and I have know Charlie since we were 10 and 7 years Old. Charlie was a 2 handicap golfer at what we then called the Asbury Park Golf & Country Club (now Shark River GC). Charlie worked on the golf course, my brother worked in the Pro Shop and I caddied. So many fond memories. We will miss Charlie as he was truly a fine man in every respect. At Rutgers Charlies sons, Rich and Steve were students in my Prof Turf Mgt class. Both are now great golf course superintendents. Rich and Fred Hurley

“ Chuck was such a gentleman and class act. As a young salesman entering the business 30 years ago, he made my job easy by always welcoming my visits, and made time not just for talking equipment, but life as well. I always enjoyed our visits over the years. He was always smiling! Just a real good guy. He will be missed.

*Rich and Steve, our deepest condolences.*
