“ Charlie (or Dennis as I knew him most of my life) was a wonderful brother and friend to me and I'm so very sad he won't be in my life but know he has already found that fishing hole in heaven and it comforts me he is sharing it with momma right now. I love you very much.

“ Hey Dr. Penley, Writing this message is so very hard for me because I was unable to tell you in person, how much you mean to me and my son, Michael. You are a very special man and wonderful friend to all those who crossed your path. We were friends for so many years, then our relationship changed, but we always remained friends. You were a Father to Michael, and he will always love you. Please give Iris our love as I know you are together in Heaven. We hope to see you again on day. You'll be truly missed by everyone who had the please of calling you their friend. I'm so sorry that I cannot be there to give my respect and say goodbye, but it is not goodbye, just farewell for now. I thank you for all the good times and wonderful memories. You touched our lives in an unforgettable way and will always be a part of our family. God Bless You, rest in peace. Love, Gwen and Michael
