“ Sorry to hear of the passing of Charlene's dad and Kim's pop. Brings back many great memories of working on the house in Arbutus before we moved in and his grand parking spot in the alley behind Downton Rd and the OC place. Larry

“ What a shock to hear of Charlie's passing and how incredibly sad it made me. I remember the first time he walked into the sales office at Water Oak, sat down, took a piece of candy from our stash and said "We're looking for a home!". What a character this man turned out to be and would visit his "girls" in sales just to get a piece of candy! He always took such pride in his home and fixing it just "right" for Liz. 80 years is a long time, but way too short for this man! God speed, Charlie. Love and hugs to Liz and the family--how proud he was of each and every one in his family.
