I wish this piece were clearer. Maybe it's my phone or my tears...it's very hard to read.

“Uncle Charlie” was my adopted Uncle. Growing up there was a fine line between where the Miller family stopped and the Strickland family started. Actually, there was no line. We were one. Some of my best childhood memories were with these wonderful humans and with Uncle Charlie’s passing the last of a great family’s elders has crossed beyond the stars.

Gosh, my heart hurts. Much love to David, Jeannie & Jimmy and all extended family & friends. Yep! We lost a good one. And the good news is we all had him with us in the best of times! 💜💜💜

Thank you Linda for your beautiful words! He was my Uncle Charlie and his daughter was one of my closest relatives! My most beautiful cousin Jeannie. David, Jimmy, our blood runs today in unison. I hated that they moved away! Thank you again Linda for the beautiful so special for our family!
