“ Dear Barb,

Today I decided I would try to look you all up and found that Chuck is asleep. I hope you get this note since it has been so long. I wanted you to know that because of the studies you and Chuck gave me in Sharpsburg, I am walking with Christ today. I am also thankful to many SdAs who role modeled and helped me back then. I have ran into some who don't even remember me, but they helped me tremendously and I remember them. I left the Lord for almost 20 years and one day the Holy Spirit spoke to me and I listened and came back. I value the prayers and time that were spent on me. I remember Sam but she was very young- well behaved with big brown eyes. I have been married for 21 years and we both came to the Lord and SdA in 2008. We were in Texas from 2008-2016. We now live in Gordonsville, VA. Brandon is living in Sharpsburg outside the city but close to the elementary school. He is 32 and married to Andrea who already had two children and they have two of their own. (ages 13, 10,9 and 6 months - a surprise blessing). The 10 year old is the only boy. The 9 year old girl looks just like Brandon - fair with reddish hair and freckles. The baby looks more like mom who has dark hair and eyes.

Anyway, I pray this reaches you because I wanted you to know how grateful I am for you!

“ Chuck we will meet again. This is not the end but a new awesome beginning for you with the saints in Heaven glorifying God and your Lord and Savior Jesus. I have been blessed to know both you and Barb and will always treasure our freindship. Barb praise God that Chuck knew the Lord and you have the blessed hope that he is with Him now and you will see him again. May the Lord comfort you and the family and give you peace through the days and months to come. Continue to step into each day with your eyes on Jesus and allow Him to Bless you with His almighty grace. I am just a phone call away if you want to talk. Love you Lady.
