“My condolences go to the family and especially to the children of Charlotte. I had the pleasure of working with Charlotte at NH DHHS for over a decade. Charlotte was always professional, creative, efficient, hardworking, and most of all helpful, kind, and generous of spirit. She brightened everyone's day. I am so sorry for the loss of the light and love she gave, but so happy to have had her friendship.

“ My heartfelt condolences on the loss of your beloved mother. I first met Charlotte when I worked for the State of New Hampshire. I sat across from her. I worked at client services. She was always willing to help me if I needed her advice. She was outgoing and a fun person to be around. I have many happy memories of her. I know that she will be missed by so many people.
