“ My husband Jim and I were very close to Erle and Charlotte while they were members at Grace Bible Baptist Church in Fruitland Park, Florida. She was very special and absolutely loved the children of the church. She was an excellent Sunday school superintendent. We have missed her dearly already since she moved away. You can be very proud of your Mom. She has left a wonderful legacy of her love for the Lord. May God give you all the comfort and peace that can only come from Jesus.

“ Mrs. Morse was a huge help to me in the teen years. She was a good example to us young ladies in the youth group. She loved the Lord, her husband, family, and us. Her involvement in Child Evangelism Fellowship came at just the right time, as she took us through training manuals and taught us how to teach children, and encouraged us to go to the training camp and teach. She also taught me to knit, which I still enjoy. She seemed to be always smiling and her voice sounded like she was smiling over the phone. She knew God's love and shared it with all those around her. God used her to bless me and my family has benefited from her example second hand. Love to you all during this special family time of saying goodbye to your dear Mom.
