“ Even though we haven't seen the family in a number of years, we were devastated by the loss. We had all three of the boys at our child care center, and we will never forget Chase, Aaron and Taylor. We are very saddened, know that our thoughts and prayers are with you and the family....

“ Chase, as most of us, was in a work in progress. I watched as he matured into a responsible high school student. His progress was so dramatic, I asked him to speak to the undersclassmen about the importance of school. I never thought he would say yes, but surprisingly he did. Throughout my time at Leesburg High School, he was the only student that ever stepped up to address the younger students. He was proud of his growth and and wanted to share with others. While Chase was the cause for numerous gray hairs, I will always remember his positive contributions to LHS. He understood the role and value of education, plus he simply was a great guy. One that will be forever remembered. He will be missed dearly.

“ I had Chase in a few of my classes. He was always smiling, laughing, and having a good time. It was hard not to smile around him because his personality is just so vibrant. Just because you are not here does not mean you will be forgotten. Thank you for all the moments of great laughs and smiles, and until we all see each other again please watch over us. My best wishes to all his close friends and family, He was and will continue to be a great person to all of us.

“*We are so very sorry for this tragic loss. Chase and Tucker were best friends growing up. Being neighbors, they spent much of their free time together playing wiffle ball in our front yard, fighting over the ghost runners, and if the ball was out of bounds! They shared the love for baseball, no doubt. Chase gave Tucker his first set of catching gear when he had outgrown it. They spent summers together at High Springs and Rainbow River. They also had a lot of fun at Chase's grandfather's farm fishing in the catfish pond. Chase was a joy to be around and always kept us laughing with his crazy jokes and antics. We have many great memories to help us get through this difficult time. Our prayers are being sent to his family to give them strength to carry on. God Bless them all. “ my deepest sympathy for your loss. Prayers will continue as you move through this difficult time. I had the pleasure of Chase in middle school and got to watch him grow through high school. He was always the life of the classroom. We understood each other's jokes and fun banter. His intelligence was beyond his years and often I felt as though I was talking with an adult. He will be greatly missed. God Bless

“ I wanted to take a moment and offer my condolences to Chase's family and friends. Chase and my son Logan were very good friends. The two played baseball together during high school and remained friends and stayed in contact after graduation. Over the years , I met Chase a few times and I have fond memories of him being a very kind and respectable young man. I am very saddened by the loss of Chase, and yet I know that I cannot begin to understand the hurt and sorrow that you all must be feeling. My heart, my tears, and my prayers pour out to all that knew and loved Chase. In speaking with my son re: the loss of his friend, Logan reminded me that only the Lord knows what he wants and why, and it is only through him that we will ever understand the reason or have the answers. God bless.
