OO, CHO NWE (Amay Cho) Age 80, passed away peacefully at home in Leesburg, FL on Monday, September 26, 2016. She was a retired physician and head of the nutrition division at the Department of Medical Research in Yangon, Myanmar. Her late beloved husband was Dr. Douglas Khin Hlaing, also a retired physician, professor of Preventative and Social Medicine in Yangon, Myanmar, and consultant for World Health Organization in Indonesia and Nepal. As the eldest daughter of U Ba Oo and Daw HlaHla Khin, she is survived by her son and daughter-in-law (Daniel Nay Hlaing and Dr. Ma Ingyinn), daughter and son-in-law (Dr. WayWay M. Hlaing and Severin Braun), daughter and son-in-law (Drs. Momo Hlaing and Pe Thet Win), granddaughters (Clarimond, Kayla and Hayma), sister and brother-in-law (Daw Myint Pyone Oo and Dr. Win Aung), sister-in-law (Daw Jo Cissy Sein) who is more like her real sister, nephews and nieces, grand nephews and nieces, and her trusted caregiver and angel (Naw Day Paw a.k.a. Day Day). Family and friends were her passion and delight. For those of us who hold her close to our hearts, she will never truly leave us. Her kindness and love will always be remembered and will always live on. As Buddhists believe, she had done so many good meritorious deeds in this life that she is well on her way to Nibbana. Funeral services will be held at Beyers Funeral Home (1123 West Main St., Leesburg, FL 34748) on Saturday, October 1, 2016 at 3 PM. For

those who wish to contribute, please consider donating to either Bodhimandaing Dhamma Center in Lakeland or Lake County Cornerstone Hospice, Florida.

“ *MayMay, I want to thank you for all the love, kindness ,the teachings, the guidance you have given me. I am who I am today because of you. You taught me so much. I will always remember and practice what you have told me to do on my birthday- the last birthday I would have on this earth with you. Even though you are no longer physically with me, you are very close to me- in my heart forever. May you be well on your way to Nirvana. With infinite metta, MeeNge*
