“ *God saw you getting tired and a cure was not meant to be, So he put his arms around you and whispered "Come to Me". With tearful eyes we watched you,as we saw you pass away. Although we loved you deeply, we could not make you stay. Your Golden Heart stopped beating, hard working hands at rest. God broke our hearts to prove to us, He only takes the best We love you and miss you Christina*

“ *Christina was one of my best friends all during high school. We drifted apart after high school and went our own separate ways. We managed to get back in touch after 12 years. I was so lucky to have known her. She was an amazing person inside and out and she will be truly missed and loved deeply from the bottom of my heart.....*
