“ Chris was one of my really good friends in high school, from going fishing, to the beach, you coming to my and Kristen's softball games and playing catch and writing notes to each everyday and giving them to each other at the end of the day. It was great to that you were apart of my life. I pray you are pain free and catch big fish. I pray that your wife and kids stay strong throughout this very difficult time. You will always be in my thoughts. 🥹❤️
