

# Christopher Allen Crissinger

October 1, 1961 - December 24, 2019

Christopher Allen Crissinger

10/01/1961 - 12/24/2019

Christopher Allen Crissinger, 58 of Altoona Florida and formerly of Plain City, Ohio passed

away on Tuesday, December 24, 2019. His friends and family will always remember his

sense of humor and the unselfish way he would always be there to help you in any way he could

. His keen way of playing that winning hand while playing cards or the way he could sit on the

dock all night fishing. How he could explain that the rock you are looking at isn't

just a rock, it is a tool.

He left us with many wonderful memories to hang onto.

He is preceded in death by his father Arthur Clinton Crissinger and his mother Janette Darlene Jenkins.

He is survived by his two daughters; Jennifer Smith (Ohio) and Jeanette Crissinger (Ohio).

Three brothers: Danny Crissinger (Ohio), Randy Crissinger (Florida), Wayne Crissinger (Florida)

and Sister Julie (Keith) Brittian (Florida) and numerous grandchildren.

We can all take comfort in knowing that when he passed his Mom was waiting there with open arms to comfort him. Until we meet again Chris, there will never be a goodbye.

“ Chris I wake every morning thinking , hoping and praying it was all a bad dream and that we hadn't loss you. You were an amazing brother when you needed to be that guiding force so many times. And an even better friend. I will miss our talks about history, codes, rocks, big foot LOL , playing cards with you, hearing you laugh, seeing you smile and your big hugs or hearing you call me sis in that warm tone. But you left me with so many awesome memories. Thank you for not telling Mom on me. Thank you for teaching me how to drive and parallel park, thank you for protecting me from myself, thank you for the laughs, thank you for being there to help fix whatever needed fixing , from the plumbing to a broken heart. You never asked for anything but gave us all so much. I love you Chris.
