“ Dear Johnson Family,

I am so deeply sorry for your loss. Cindy was such a special person, and I feel truly blessed that I had the chance to know her. She was kind, full of wisdom, and always managed to make me laugh. Her good heart shined through in everything she did.

I will always be grateful for the advice and encouragement she shared with me, and I'll carry those memories close to my heart. Working with her was a gift, and I feel lucky to have had that time with her.

Please know that my thoughts and prayers are with you all during this difficult time.

With love and sympathy,

Francisca Neto
