“ By knowing Julie throughout the years and how sweet and kind she is and her family, then I know Clara was a wonderful woman as well ! May she rest in peace and look down from heaven and smile on her lovely family ! The cycle of life goes on as a new baby in the family is due. May the family find joy instead of sorrow after the healing by keeping her memories alive and passing along stories to the next generations ! Hugs to all !!

“ We were so sorry to hear of your loss. Your mother/grandmother sounds like she was a very interesting woman, and one we would have enjoyed knowing. It probably wasn't her fault that she loved the orange and blue, since the Gators obviously brainwashed her at an early and vulnerable age. We lost Paul's mom in December, and we know how difficult this time will be for your family, so we will keep you all in our prayers. God bless you all.

“ Julie and family, My thoughts and prayers are with you all at this time. I was so blessed to have known Clara. She had the best sense of humor and a wit about her that was so wonderful. She and my daddy will be cheering the Gators together from the best seat in the house from here on out. She was a fighter, and now she is at peace and doesn't have to struggle anymore. I hope that gives you peace also. Love and God Bless, Valerie Allen
