“ How does one begin to describe such an awesome human being...you begin with saying he was a loving husband, a caring father, a wonderful son, brother, uncle and grandfather. He was a good friend, a kind neighbor, who would do anything for anybody. He was a true die hard loyal sports fan...Go Red Wings and yes even through the years an Atlanta Braves fan too! A joker with a sense of humor and quick wit which could either put a smile on your face or leave you laughing so hard you got tears in your eyes. No matter what your relationship was with Uncle Chuck, he would best be described as an angel among us. Although, we'll mourn our loss forever, we'll always have fond memories of the laughter and love he brought into all our life's. To my Aunt Judy and Cousins Stacy and Sara, I love you guys so much. My thoughts and prayers are with you always. Love, Inez

“ Precious friend, Judy, and family, It is so sad to read of your husband's passing. It took me quite by surprise and I can only imagine the heartaches among you. If I could reach out and touch each one with a magic wand to relieve grief and instill only joyous memories, I would. That will come in time. Meanwhile, please take care of one another and praise God for Chuck's awesome presence during his time on Earth. Sending much love from my Mom's home in Indiana. So enjoying some quality time!
