“ *My sincerest condolences go to the family of Mr. Kelly. I didn't know him personally but I know how hard it is to lose a loved one and how even more difficult it is to cope. But there is a scripture I would like to share with you that hopefully helps. It's at Revelation 21:4 and it states that there will be a time when death will be no more. Imagine what that will be like! Along with death being done away with, its effects will be too, like sorrow and pain. May you find comfort and hope in all of God's promises found in His Word the Bible.*
