“ Wilma- Jim & I send you our heartfelt condolences on Claus' death. We have been friends for such a long time. We missed him and will always miss him at our shared demonstration sites and will miss you very much. We always enjoyed seeing him at KWVA meetings and you both at shared activities. We wish you the strength to slowly find your new space in the world. You still have lots of things left to do. Be sure to grieve at your pace, and share it with your family. Call whenever you need to have a quiet chat, or maybe a grit your teeth session to get through something. I would be honored to share a bit of talk with you. We love you both, but you we can still see. You both will be in our prayers. Gloria & Jim
