“ "Forever in our hearts"! Cole was a great man. I grew up with him in Naples and we reconnected later on in our lives. He had made big changes and I was so proud of him. He has made foot prints in so many peoples lives and he will be greatly missed. My deepest sympathy goes out to his family.

“ *'Tis true what has been said. Some do die young; only God knows why and his plan is always best. It is for those who are left behind to feel the pain of missing them; some to change their lives, others to continue onward. Am so happy to know Cole is in a far better place and know he would want to see all of you again...some very sweet day. Please reflect on Cole's message; he was for real. I am so proud of the young man that he became. Rest in peace, Sweet One....we will see you again.*
