“ *I am one of Collette 's long time PEAR Dog Park buddies. My heart is broken to hear of Collette's passing. She was a sweet girl and we enjoyed many good times at the dog park with Mya. She used to help out with keeping it clean and helping educate dog park patrons of appropriate doggie behavior in the park. Always a classy lady, smiling and fun to be around....she will be missed so very much. My sincere condolences to her family.*

“ My condolences to all of those whom loved Colette. Colette and I worked together for several years. We both moved to Florida in 1989 and grew up in Nassau County, New York. We joined the Honer Guard together. An we both joined the ranks of making Sgt. She was a great co-worker, friend, and supervisor. She will be greatly missed. It been several years since we both last spoke. Since we both ended up retiring our lives took different directions. I will miss going shopping with her, we always had a blast She will always be loved and remembered. My sincere apologies for not making it to the funeral. I was recently notified of her passing. Sorry for your loss.
