“ Thomas, I loved your wife and considered her a good friend. The last time I saw her was at a after mass coffee time a few weeks ago and she came up and hugged me and told me that no matter what she still loved me. It was most touching. She and I did a lot of charity work together as charity towards others is one of the passions we both have. She is one of the most BEAUTIFUL people I have ever met and she loved Christ with such a fierce passion. I know Tom she has so very, very many crowns coming to her and a HUGE mansion in heaven. I have had myself and my bible study group constantly praying for her glory eternally for months now. We have lifted up some really powerful prayers on Colleens behalf, so she will receive the the glory she deserves in heaven... and she has. If you could have seen and heard those prayers for her you would have been so touched... they were no ordinary prayers... EXTREMELY POWERFUL, LONG DRAWN OUT PRAYER. These last couple days I walk the beach and pick up seashells and place them by a wooden cross I have made by the ocean here in NC and think of her amazing Christian grace. The light of Jesus just emanated from that woman... you could see it and feel it the moment Colleen walked in to any room.... WOW. I will forever love my sister in Jesus, May she have Shalom (Peace). My prayers are with you and the family at this time too I am in North Carolina and unfortunately can not get back to Florida at this time. But I walk with Collen and the angels and look up and know she sees me and hears me talk to here still. KC*** (Katheirne) May YAWA (God Bless Colleens family.) heaven is rejoicing at her arrival.
