“ *My sincere condolences to Howard's wife, Margaret, and daughter. Although I did not know either of you, I had the distinct pleasure of interfacing with Howard for a number of years as a contract negotiator and cost analyst for Bath Iron Works. Howard was a consummate professional and true gentleman. I am a better person to have known him. He will be sorely missed.*

“ *I was so sorry to hear of Howard's death. He was a wonderful person with whom I had worked many difficult, many fun and many unique program contracts issues. He kept his humor intact and we shared many stories. He will be missed a lot and my sympathy and thoughts go out to his family.*
