“ Hello,
I am so sorry to hear of the passing of my first cousin Concetta Grosso.
Concetta's mother, Frances, and my father William (Biogio) Serio were siblings.
If I can be of any help to the children with family stories of their mother and myself when we were children, I would love to share.
Peace,
Leila

“ Henry,

I am so sorry for your loss of the love of your life. Everyone that loves her and those who knew her in anyway will miss her lovely sincere smile.

I still remember when you both joined the S/L Emergency Squad what a blessing to meet you both then and then to work with Connie on the rig. You were loved by the entire squad I have no doubt about it.

There are no words one can say to you or your family to take the pain and grief away. Just remember we love you and Connie and that can never be taken away. You and your family will be in my prayers for Father to help ease the grief and pain for He is the only one through Jesus that will/can do this.

Know that the communities of S/L and N/H will always love you both and will always be here for you.

*God Bless,
Ken and Geri*

“ I am so very sorry for your loss. Please find comfort in God's sure promise of a resurrection as set forth in the Bible. (Acts 24:15; John 5:28,29) Those who are raised to life will have the prospect of never again being subject to misery, sickness, or death. (Revelation 21:4) I hope that reflecting on these thoughts will give you some relief during this difficult time.

“ Dear family, My heart is stunned. How I love you all and am ever grateful for the gift of you in my life. You touched my children in such a loving and generous way. Henry, always such an encourager and model of God's man with great humor and genuineness I send great love and appreciation for what you modeled to my children and to me. To you girls it was always fun to get to see you and to hear mom's stories about you. I loved your mom so much. We were quite a team in our hospice days...it hasn't been the same since we left. The Comforter is with you and I trust you will heed His voice, find solace and purpose in the days ahead.
