The One I Love

The one I love is all I need

To set my heart ablaze.
The one I love's the center of
My life in many ways.

The one I love is part of me,
Companion to my dreams,
And is the main ingredient
In all my thought, it seems.

The one I love supports me through
The challenges I face
And knows the healing power
Of a warm and fond embrace.

The one I love responds to me,
My spirits can renew.
The one I love is full of passion;
The one I love is you!
