“ Words cannot express the sadness and the depth of our feelings for you both at this time. Stay strong in your faith as you always have. I am certain you wonder why this terrible thing has happened to you, and why Connor was taken away so soon, but Connor has been spared a long life of pain and suffering, and you would want that for him. We love you very much. Aunt Pat and Uncle John

“ Praying for you today. I think it is a beautiful thought to know that the name of Jesus was not foreign to little Connor. He already knew the One who holds him now, because you and Carrie talked and sang of your precious Savior.

“ The service was beautiful, Steve and Carrie. It was evident that God had shown up and was there comforting everyone with HIS words from Steve, Stephen, and the songs. May God continue to lift you up on Eagle's wings. May HE strengthen you in the coming days when you think you will be might okay and grieve sneaks up on you. May you rest in HIS arms of love. Love you guys, Linda
