“ *My sympathies to the family members. Penny had such a beautiful soul and cared for so many others, she will be missed.*

On Monday the 22nd, my Mom and I went to visit with Penny. She opened her eyes (after much ebbing) then smiled and lifted her hand. I held onto her hand and we just talked to her. Before we left, we prayed with Penny and told her we loved her, and thanked her for her many years of friendship. May you rest in peace our dear friend, as we will see you again one day. I love you.
