“*Connie not only created a group of dancers here in The Villages but also created a group of life long friends. Through her patience and guidance many of us realized child hood dreams of dancing on stage. Connie was an amazing and talented lady. She did it all, choreographed, produced, directed etc. It was a joy to see her at her best and I will never forget her. I was part of her group from 1996 until she retired and I will miss her. My condolences to Connie's family.*

“ I am sad to hear of Connie's passing. It brought back three happy years of having the privilege of dancing for her Show Biz Productions along with some the nicest ladies possible. They made me feel part of their group at a time that I needed that friendship. I miss her and offer condolences to her family.
