

Corinne R. Boyd

July 24, 1936 - January 3, 2018

Mrs. Richard R. (Corinne Rife) Boyd, age 81, left us to sing with the angels yesterday.

Services will be held in Wildwood, Florida at New Life Christian Church, 4707 E CR 462 on Sunday, January 7th from 2-4pm.

Her affiliations included the Savoy Opera Co. in Philadelphia, Pa. where she was a former resident. She was a member of the Indianapolis Zoological Guild, the Starlighters, East 91st Street Christian Church and Alpha Theta Letreian, of which she once served as president. She was employed by Fidelity-Philadelphia Trust Co. for 7 years and continued work for Walker Research Co. when moving to Indianapolis.

She was genuine and a true lady. Our family is who we are today because of her loving hands, compassionate soul, witty laughter and kindness to others. She loved to sing, laugh and dance, but Corinne's family, children, grandchildren and great grandchildren were her greatest joy.

She loved God and help plant the seed of faith by how she loved and gave so generously to others in her life.

Survivors-Husband Richard R. Boyd, Daughters Elizabeth Ann, Allison Corinne, Tamara Lois, sister Suzanne Farrington, Grandchildren, Abby and Michael Anderson, Reilly, Kathryn and Megan Dillon, Sam Brumbaugh, and Great Grandson, Aiden Anderson.

In lieu of flowers memorial donations may be made to the Indiana or Florida Alzheimer's Association

The family extends their greatest gratitude for everyone who cared for her in her recent years.

“ *Dick & family,
We are holding you and your beautiful family close in our hearts and
in our prayers as you go through this difficult time of grief for
Corinne.
Her memorial and celebration of her life was a very special and
lovely service and we were honored to share the memory of her.

“ *We'll remember all the good times we had.
May God Bless her.*

“ *Dick:
Gerri and I want to extend our condolences for your loss. I never
met this beautiful and talented lady but she is in good hands herself
now. Our prayers to you and for her restful sleep.*
