“ I'm going to miss Lee too!! I worked with Lee at the Orange County Sheriff's Office and Lee would always walk around the office talking with his headphones and you would think he was talking to you but he was on the phone. You would say to Lee are you talking to me? He would smile and just point at his headphones and continue his conversation. People that worked with Lee will truly understand this message. Finally, I will miss Lee's personal cell phone ringtone "Save a horse Ride a Cowboy" Lee really loved his horses we would talk about them all the time since we were both from Ocala. Rest in Peace!!!
