I did not know Courtney personally. However, I worked Home Health with her Mom, Erin . A wonderful Nurse and loved her children. She spoke of her kids all the time. Erin only wanted the best for them. I pray that God takes away the heaviness of this tragedy. Releases any speck of guilt that she may feel. Those feelings are not from God. I believe that Courtney knew your love for her ran deep. Know that God will get you through this pain, while you will forever be changed, you will know that she is resting with God's hands and the Angels wings giving her peace. Here for you, Barbara
